Deep down, you know God created you for a reason. He's told you that you're a child of God. You're made in His image, and He has a plan for you. You sense in your heart of hearts that you have wings to fly, but worries, fears, and insecurities drag you down to earth, preventing you from spreading your wings and taking flight. The first steps toward reaching the skies include releasing the worry, learning to relax, and trusting God fully for the "happy ending" you seek. "You Can't Fly If You're Still Clutching the Dirt" will teach you how to = quit worrying and trust God; = easily distinguish between what you control and what God controls; = find freedom to focus on the two decisions that are yours to make - What you want and Why you want it. = find deliverance from the worry-inducing questions of Who? When? How? and Where? Read this book. Find peace. Have joy. Experience unshakable faith and ultimately take flight toward your God-given potential. "Finally! Answers to some of life's most troubling questions presented in a clear, concise, enjoyable read! Have you ever wondered: why me? why now? but how? but when? where? No matter what the challenge, this book will help you unravel the answers to each of these questions. I highly recommend this book!" - Leslie Householder, author, www.JackrabbitFactor.com "This book is the best I've ever read! It has validated several things I've been doing as well as given me insight to do more. It makes my goals so down-to-earth and possible. I knew the fundamentals, but this has helped me gain greater understanding of those basics. I have daughters struggling with worries and doubts. With my limited knowledge I have tried to help them. This book adds to and multiplies what I have been trying to convey." - C. Nattress, book club member "Finally!
